Girl, you're my friend
when I'm in need, lady

Life is one big party when you're still young (AT)
But who's gonna have your back when it's all done
It's all good when you're little, you have pure fun
Can't be a fool, son, what about the long run?

Looking back Shorty always mention
Said me not giving her much attention
She was there through my incarceration
wanna show the nation my appreciation

And you appear to me so tender, girl I surrender
