

# I shall be released

(Solo)

They say everything can be replaced  
 They say every distance is not near  
 So I remember every face  
 Of every man who put me here

I see my light come shinin'  
 From the west down to the east  
 Any day now, any day now  
 I shall be released

They say every man needs protection  
 They say every man must fall  
 Yet I swear I see my reflection  
 Some place so high above this wall

And they say  
 Uh, every man must fall  
 Reflection  
 So high the wall

I see my light come shinin'  
 From the west down to the east  
  
 Any day now, any day now  
 I shall be released

I see my light come shinin'  
 From the east,  
 west down to the east  
 Any, any, any, day  
 Shall be released

Now yonder stands a man in this lonely crowd  
 A man who swears he's not to blame  
 All day long, I hear him shouting so loud  
 Just crying out that he was framed

And they say  
 Uh, he is not to blame  
 So loud  
 That he was framed

I see my light come shinin'  
 From the west down to the east  
  
 Any day now, any day now  
 I shall be released

I see my light come shinin'  
 From the east,  
 west down to the east  
 Any, any, any, day  
 Shall be released

Any day now, any day now

Any, any, any (Break!)

I shall be released

I shall be released
